

Dear Park Ridge Neighbors,

On **August 24, 2019** our family will be hosting the second annual Horner Hustle 5K Fun Run/Walk, raising funds for Project Purple. This 5K will wind through your neighborhood from **8 AM until 10 AM**. We will do everything we can to **not** disrupt your Saturday morning. Our run is in memory of our son-in-law, brother-in-law, husband, who lost his battle with Pancreatic Cancer, August 2015, the night before his 46th birthday.

Last year, we were so grateful for the community support we received during our inaugural run! As we weaved our way down Vine, Albion, Cleveland, Arthur and Crescent, we had supporters wearing purple and cheering our runners along the route! Your enthusiasm and encouragement made our day! Once again, we welcome you to sit on your porch with your coffee, wear purple, and cheer us on - or better yet join in the fun! We have true runners who will be finished in no time at all. Then again, we have families with strollers who will be enjoying their morning run/walk. As residents of Park Ridge for 40+ years, we are so proud to be part of such an amazing community. Thank you for your patience and support as we partner with Project Purple, to host family and friends, from near and far, as they join in the Horner Hustle 5K Fun Run/Walk, on August 24, 2019.

For more information on Project Purple or the Horner Hustle, please check us out at one of the following websites:
