Chief’s Message

2014 was another year of growth and transition.

By far, one of the most significant accomplishments for 2014 was receiving the designation as one of the top 100 safest cities in the country for populations of 25,000 or greater. Our rank was 78. This was the second consecutive year in receiving this honor.

In reference to crime, our overall crime index was the lowest for the past five years and a 5% reduction from last year. A few areas to note that contributed to the overall reduction in the index crime rate included a 20% decrease in reported burglaries and an overall 20% in reported violent crimes.

On November 5, after a two-year planning process, our police dispatch moved to West Suburban Consolidated Dispatch Center. Previously, our police dispatch had been with Des Plaines. I am especially grateful to our Transition Team, (Deputy Chief Jogmen, Commander Leavitt, Supervisor Nistler and IT Staff), for all their efforts to make the transition smooth and flawless. I look forward to having a great working relationship with the West Suburban Staff. During 2015, we will be transitioning to a new Computer Aided Dispatch (CAD) system with West Suburban.

Our partnership with the Healthier Park Ridge Survey continued in 2014. Staff used the data in the survey report to apply for a grant with the Department of Justice. In November of 2014, we were notified that we were awarded a grant for $100,000 to apply community policing principles to mental health. This is an exciting opportunity to work with all our community partners to address mental health issues in Park Ridge over the next two years.

Our staff continues to demonstrate their commitment to our community. In particular, Officers Abbinante and Panizo received the State of Illinois Award of Valor in a presentation at the Governor’s Mansion, while Officers Luehr and Evans received the Award of Valor from the Cook County Sheriff. Our staff continues to provide exceptional service to the Park Ridge Community.

Community outreach continues to be a project throughout 2014. “Coffee with A Cop” continued. The Department was once again recognized for its efforts in the National Traffic Safety Challenge.

In 2015, besides looking forward to a new CAD system, we hope to complete the 9-11 Memorial Project and continue our efforts to build public trust.

I am grateful for the men and women of the Park Ridge Police Department and their efforts in 2014 to make our community safe.

Departmental Recognition
Departmental Recognition

Special Awards

Police Officer of the Year 2013
Each year the department forms a committee to nominate an Officer of the Year. This year, Officer King was chosen to receive the Officer of the Year award for 2013. Officer King was selected as Officer of the Year for his excellent lifesaving police work related to a call of an unresponsive subject.

Employee of the Year
During 2013, Social Worker Laura Campbell was given the Employee of the Year Award.

Cook County Sheriff’s Law Enforcement Award
Officer Evans and Officer Luehr received the Award of Valor for their efforts in saving the life of a subject who was involved in a crash and suffering from a medical emergency.

Certificates of Recognition
During 2014, twenty-one employees received Letters of Recognition, Department Commendations, Awards of Valor, and Life Saving Awards. Out of those twenty-one, five officers received two or more letters.
Illinois Association of Chiefs of Police
Medal of Valor
Officer Abbinante and Officer Panizo received the Medal of Valor for their exceptional commitment and courage in removing a subject from the railroad tracks.

Illinois Law Enforcement
Medal of Honor
Officer Abbinante and Officer Panizo received the Medal of Honor for displaying exceptional bravery and heroism while performing their duties as law enforcement officers.

Traffic Awards
The Department handed out four awards for traffic enforcement in 2014, specifically for DUI, speed, safety belt, and child safety seat enforcement. Officer McGannon received all four awards.

Perfect Attendance
In 2014, Deputy Chief Keller, Commander Leavitt, Sergeant R. Ryan, Officer Alonso, Officer Cacioppo, Officer Klein, CSO Lanners, CSO Poirier, Records Technician Golden and Social Worker Campbell did not use any sick time during the year.

Complimentary Letters From Citizens
Over the past twelve months, the department has received 105 complimentary letters to numerous officers for their hard work and professional efforts.

Saved By the Belt Award
Forty-seven (47) individuals received the Saved by the Belt award for wearing their seat belt when involved in an accident. Although minor injury may have occurred, wearing a seat belt prevented them from sustaining more serious injuries.
Part III

Crime Data
The Park Ridge Crime Offense/Arrest Comparison report is an annual summary and comparison of all Index crimes, or Part I crimes, and a select group of Part II crimes, as well as a variety of other traffic related department activity. For reporting purposes, criminal offenses are divided into two major groups: Part I offenses and Part II offenses. Part I crimes are collectively known as Index crimes and are separated into two subgroups, Violent Crimes against Persons and Crimes against Property. Part II offenses are less severe crimes, but account for the majority of criminal offenses reported.

**INDEX CRIME OFFENSE RATE**

The Index crime rate\(^1\) indicates the prevalence of crime occurring across a given population. It is generally defined as the total number of index crimes per 100,000 inhabitants and is calculated as follows:

\[
\text{Crime Index Count} \times 100,000 \\
\text{Jurisdictional Population}^2 = \text{Crime Rate}
\]

The percent change indicates the increase or decrease of the volume of data represented.

\[
\frac{\text{Current Figure} - \text{Previous Figure}}{\text{Previous Figure}} \times 100 = \text{Percent Change}
\]

The above comparison indicates the 2014 Index Crime Rate is lower than the 2013 Index Crime Rate by almost 5 percent. A few areas to note that contributed to the overall reduction in the index crime rate include over a 20% decrease in reported burglaries and an overall 20% decrease in reported Violent Crimes.

---

1 Based on the latest publication of Crime in Illinois 2013, the Crime Rate for the State of Illinois was 2650.5 and 3471.2 for the County of Cook

2 Based on 2010 census data = 37,480
The five year comparison indicates that the Crime Rate in 2014 was 23.2% lower than in 2010.

**OVERALL CRIME TOTALS**

Overall crime totals represent the total number of both Part I & Part II crimes reported to have occurred during a given year.

In 2014, the total of overall crime decreased by 1.4%, or 18 criminal offenses, as compared to 2013. Additionally, the overall crime totals have decreased by 35.3% as compared to 2010.

3 All Crime Index categories include attempts, except attempted Homicide, which is classified and reported as an Aggravated Battery. There were no attempted Homicides reported as aggravated battery in 2013 or 2014.
Violent Crime Offenses include Criminal Homicide, Forcible Rape, Robbery and Aggravated Assault/Battery (including attempts). Violent crime offenses, or Crimes against Persons, accounted for 2.6% of the crime index total in 2014. Property Crime Offenses include Burglary, Theft (including Burglary from a Motor Vehicle), Motor Vehicle Theft and Arson. Property Crime Offenses, or Crimes against Property, accounted for 97.4% of the crime index total in 2014.

Property Crime Offenses have shown a downward trend with a 4.4% decrease since 2013 and a 23.1% decrease since 2010. Motor Vehicle Theft and Arson continue to account for the smallest percentage of the overall crimes against property crime index offense total.

Violent Crime Offenses have also shown a downward trend with a 20.0% decrease since 2013 and a 25.1% decrease since 2010. Criminal Homicide and Forcible Rape continue to account for the smallest percentage of the overall violent crimes against persons crime index offense total.

In 2014, both Property Crime and Violent Crime Offenses were the lowest they have been in 5 years.

*It is important to remember when looking at the Crime Index Offense Rate, that these numbers represent a standard comparison to published data, and do not represent the number of actual crimes, but the number of reported crimes per 100,000 population. For the actual number of Index crimes in a given year, refer to page 3 of this report.*
The Criminal Homicide Crime Index Offense Rate remained at 0 in 2014 from 2013, and was the same as it was in 2010. There has been only one homicide in the past five years, which accounted for the spike to the homicide crime index rate in 2012.

The Crime Index Offense Rate for Forcible Rapes remained unchanged in 2014 since 2013.
The Robbery Crime Index Offense Rate decreased by 33.1% in 2014 from 2013, and was the same as it was in 2010.

The Crime Index Offense Rate for Aggravated Battery/Assault crimes decreased by 12.2% in 2014 from 2013, and has decreased by 41.6% as compared to five years ago.
The Burglary Crime Index Offense Rate has decreased by 20.2% in 2014 from 2013, and is 43.2% lower than it was in 2010.

The Theft Crime Index Offense Rate has increased slightly by 1.1% in 2014 from 2013; however it has decreased by 15.1% since 2010.
The Motor Vehicle Theft Crime Index Offense Rate has decreased by 30.0% in 2014 from 2013, and has decreased by 46.1% since 2010.

The Arson Crime Index Offense Rate has decreased by 66.3% in 2014 since 2013. The five year comparison indicates an 83.1% decrease.
Although the total of Part II Crimes has increased slightly by less than 1% since 2013, the five year trend shows a decrease of 40.6% since 2010.

Traffic Accidents have increased by 2.0% in 2014 as compared to 2013. The following chart reflects the total number of traffic accident reports taken for the last 5 years, and indicates that over five years traffic accidents have increased by 9.5%.

Departmental Highlights
**Highlights**

**West Suburban Consolidated Dispatch Center (WSCDC)**
In March of 2014, the City Council voted to move police dispatch to West Suburban Consolidated Dispatch Center. Three locations were considered as a new dispatch center. West Suburban proved to be the most cost-effective choice. After months of planning, on November 5, 2014, the switch over was made without any problems or issues. A special thanks to Deputy Chief Jogmen, Commander Leavitt and Julie Nistler for facilitating such a smooth transition. The second part of the transition will be implementing a new CAD system in 2015.

**Mental Health Grant**
In October of 2014, the Department was advised that it was awarded a grant from the Department of Justice, COPS Office, to focus on mental health issues. Titled “Beyond Crisis Intervention Training: Building a Community Model to Address Responses to People with Mental Illness,” the grant award is for $100,000 over a two year period. Both the University of Illinois at Chicago and Lutheran General Hospital are partners in this grant. Much of the work will begin in 2015.

**Safe City**
The Park Ridge Police Department was once again designated as one of the top 100 Safest Communities in the nation for 2014 by Location, Inc., which is a leading builder and source of location-based data and risk analysis information. Location, Inc. provides crime data and other information to neighborhoodscout.com and uses that information to identify the safest communities across the country. Park Ridge ranked 75th in 2014.

**Power DMS**
The Department implemented an automated system for its written directive system. Previously, general orders, special orders, training bulletins, and personnel orders were distributed manually in paper format. Each employee had to acknowledge the directive on a written sheet. Power DMS automated this entire process and eliminated paper copies. This system has proved to be more efficient and effective.
New Evidence Room
During 2014, the property from the old property room was transferred to the new evidence facility. Over 13,000 items were transferred. A complete audit was conducted for the evidence transfer. The new evidence facility is in full operation.

Healthier Park Ridge Community
The Department continued to work with Lutheran General Hospital regarding the results of the community-wide survey. The survey group continued to meet to discuss how to implement the results.

Roundtable
The Chief’s Roundtable began in 2014. Four roundtables were held. The Roundtables are open to anyone in the community to come and discuss issues or concerns.

Community Star
Mr. Ralph Cincinelli, department volunteer, received the Chamber’s Community Star Award for his work regarding building renovation.
National Safety Traffic Challenge
The Department once again participated in the 2013 Traffic Safety Challenge. This year, the Department was recognized for its efforts regarding distracted driving.

Leadership Development
During 2014, the Department continued its leadership development program with Mr. John Fontana. This initiative continues to help develop the future leadership for the organization.

Chaplain Program
Father Piotr Gnoinski from St. Paul’s joined the program this year. The Chaplains continue to host the annual Police Memorial and 9-11 Services.

Two Chaplains passed away in 2014, Rev. Jim McCracken and Dr. Dave Saulnier.

We are grateful for their service.
Parent Patrol
In 2014, Parent Patrol Program volunteers provided 116 hours of volunteer time by working select, potential high activity weekends throughout the calendar year. In its fifth year of operation, the program continues to develop and adjust to the needs of the community while affirming its commitment to discouraging/preventing underage drinking all the while building a stronger relationship between the Park Ridge Police Department and the community it serves.

Citizen Corp Council
The Park Ridge Citizen Corp Council is a collaboration between City Departments and community stakeholders. In 2014, the Park Ridge Citizen Corp Council operated with 95 volunteers for 4,123.5 service hours volunteered to the City of Park Ridge. Citizen Corp Council programs were deployed during every event and critical incident within the City of Park Ridge in 2014.

Explorer Post 911
The Park Ridge Law Enforcement Explorer Post 911 had 10 Explorers enrolled for 2014. They participated in a number of events and extensive training within the Department.

Explorers conducted traffic control, crowd control, and presentation assistance to the Police Department during the following events: Norwegian Day Parade, Memorial Day Parade, Park Ridge Fireworks, the Taste of Park Ridge, and National Night Out for a total of 347.5 hours of service.

Finally, Explorers participated in training/meeting sessions on: defensive tactics, DUI enforcement, criminology, traffic stops, juvenile law, investigation procedures, community policing, rapid deployment and traffic control.

Animal Commission
In 2014 we had 15 animal bites. The Animal Commission met three times during 2014. After reviewing each case, and interviewing the victims and owners, the Commissioners found zero dogs to be “At Risk” and two dogs to be “Dangerous.” Letters go out to the owners of each dog, advising them of the rules they must follow. The City and our 911 Center are advised of the owner’s name, address, breed and name of dog.

Text-a-Tip
MCYAF sponsored this initiative between the Park Ridge Police Department and the Des Plaines Police Department. Through Text-a-Tip, people can anonymously text tips to the Department. There were 21 tips specific to Park Ridge in 2014. These tips ranged from reports of criminal damage to property, juvenile mischief, parking complaints to drug use and underage drinking parties.
Senior Breakfast Program
This was the third year the Department hosted the Senior Breakfast Program at the Park Ridge Senior Center. The Department sponsors the program every third Tuesday of the month and Panera Bread and Jewel Food Store donates refreshments. The program has been a great hit with the seniors as evidenced by their attendance. Average attendance has been about 27 people per meeting. Twelve programs were conducted in 2014.

National Night Out
The 10th annual National Night Out was held on August 5, 2014. The Park Ridge Police Department was proud to have partnered with the Park Ridge Park District and honoring them for their “100 Years of Service” to the Park Ridge Community. The event went very well and the Department was successful in heightening crime and drug prevention awareness, generating support for, and participation in, local anti-crime programs, strengthening neighborhood spirit and police-community partnerships; and sending the message to criminals that the police and community are working together and are fighting back against crime.

Citizens Police Academy
The Department held one 10-week Citizens Police Academy in 2014 with eight graduates.
Youth Related Initiatives
The Department participated in several outreach activities with young people:

- Dodge Ball Tournament – February 2014
- Maine South Principal’s Advisory Council
- Youth in Government Program
- Story Time at the Library
- Carpenter School Career Day

Underage Drinking and Substance Abuse Campaign
The Department continued to support efforts to reduce underage substance abuse to include the following:

- “Parents Who Host Lose the Most” Campaign (This campaign was done in May for Prom season and in September for Homecoming).
- Sticker Shock Program – April 2013
- MCYAF monthly meetings – 11 meetings
- Drug Take Back Program and Save a Star Initiative (As a result of these programs, 310 pounds of unwanted pharmaceuticals were collected).

Community Emergency Response Team (CERT)
The Park Ridge Community Emergency Response Team (PRCERT) program consists of 58 volunteers with specialized training in; traffic control, disaster response skills, fire safety, light search and rescue, team organization, and disaster medical operations. In 2014, PRCERT continued their expanded training to allow volunteers to participate in specialized Groups/Units of; the Com Ed Joint Operations Center (Com Ed JOC), an Illinois Search and Rescue Council (ISARC) certified Search and Rescue (SAR) unit, and a Trailer Deployment Group to deploy the Citizen Corps Council utility trailer.

In 2014, PRCERT operated in 24 operational activations for 1142 hours.
**Disaster Preparedness**
The following are examples of disaster preparedness activities for 2014:

- Met with Human Needs Task Force and Laura Dee to discuss ways to help prepare our elderly residents for disasters and also help establish a system for neighbors to check on these residents. Completed the Suburban Duty Officer Program at CCDHSEM
- Met with Kiwanis and Rotary groups to discuss how they can help prepare for disasters.
- Reviewing and updating city’s Emergency Operations Plan
- City’s management staff attended mandatory NIMS training
- Attended numerous classes sponsored by the Illinois Emergency Management Agency (IEMA). Topics covered included disaster assessment and debris management.
- Continued to meet with a representative from the Cook County Department of Public Health (CCDPH) to plan for a “Mass Dispensing Protocol” in the event that CCDPH needs to provide emergency medication to the Park Ridge community in response to a severe health threat.
- Continued to work with the Cook County Department of Homeland Security and Emergency Management (CCDHSEM) to finalize a hazard mitigation plan. This plan is required for Park Ridge to be eligible for future post-disaster funding from FEMA.
- Along with Chief Sorensen, attended an all-day training event at CCDHSEM on the new web EOC program

There were 38 requests for public appearances (i.e. scout tours) in 2014.

**Block Parties Program**
The Department continued to send representatives to neighborhood block parties throughout the summer. The Department attended 63 parties.

**Honor Guard**
Last year the Honor Guard participated in the Cook County Police Memorial Service, Park Ridge Police Memorial Service, Norwegian Day Parade, Memorial Day Parade, National Night Out, the 9/11 Ceremony, Maine South and Maine East Homecomings, Patriot Day Ceremony at the Fire Department, Officer Swearing In Ceremony, and Veteran’s Day Ceremony at Franklin School.
Coffee with a Cop

In 2014, the Park Ridge Police Department continued the “Coffee with a Cop” program. This program, which was held at a local establishments in each of the respective police beats, provided an opportunity for citizens to meet with police officers in a comfortable environment and talk about any subject – crime trends, neighborhood nuisance issues, public safety management, or how to join our team of volunteers. Each event was well received by the residents. We will continue this program throughout 2015.

Training

For 2014, the Department continued to make cost effective training a priority. We focused on NEMRT’s no-cost classes as much as possible and continued to increase our in-house training offerings whenever practical. Officers attended at total of 2,688 hours of training, or approximately 50 hours of training per officer. We continue to seek additional in-house and online training opportunities in an effort to maximize our training budget. The following list is a brief summary of some of the training received by officers this year:

Based upon Illinois Department of Transportation data for the time period of 2006 through 2013, installation of the Red Light Running Camera System at the westbound approach of Northwest Highway and Oakton Street in 2010 has played a significant role in changing driver behavior and reducing crashes. According to the data, total crashes decreased in excess of 30 percent. Angle crashes, responsible for greater personal injury and property damage, decreased by over 65 percent post-camera installation while turning crashes decreased by over 50 percent as well. These decreases can be directly attributed to the installation/presence of the Red Light Running Camera, as the most substantial decrease occurred within the first year of the camera’s activation.

Another benefit of the camera which cannot be understated is the “spill-over” or “halo effect” which has been repeatedly documented within communities utilizing automated enforcement. In Park Ridge’s case, this resulted in crashes at all approaches for the intersection being reduced by 35 percent. Angle and turning crashes also decreased by over 50 percent for the non-photo enforced approaches. Although rear-end crashes increased slightly post-camera installation, the severity of the accidents decreased significantly as reported by the Illinois Department of Transportation, which shows that the Red Light Running Camera system has made a substantial impact regarding safety at the intersection.

Traditional police enforcement aimed at reducing Red Light Running is prohibitive due to multiple reasons: manpower requirements, danger to officers forced to chase the violator thru a busy intersection and the “good driving phenomenon” which occurs with the visible presence of traffic enforcement officers or marked police vehicles. This type of enforcement is dangerous, inconsistent and has no long-term effect on improving driver behavior. The consistent enforcement of the Red Light Camera addresses these conditions, and as the data illustrates, has made a positive and measurable impact on the severity of crashes at the intersection.
