Dear Chief Kaminski:

I would like to take this opportunity to extend our thanks to Officer Robert Evans as a member of the NIPAS Mobile Field Force for his assistance to the Hoffman Estates Police Department on October 9th and 10th, 2016 during the Illinois Tactical Officer Association Conference. This conference is attended by hundreds of law enforcement officers from throughout the State and was held at the Stonegate Conference Center in Hoffman Estates.

We received credible information that several groups intended to conduct demonstration campaigns in an effort to stop the conference from occurring. Our agency requested the assistance of the NIPAS Mobile Field Force to stage personnel near the area as a precaution.

Demonstrations for this event did occur, and included protestor devices requiring the expertise of a Mobile Field Force cut team, however the protestors chose a location in the City of Chicago for their activity. In this situation Officer Robert Evans was not required to intervene but the presence of the Mobile Field Force provided reassurance to our incident command team. I would like to thank you for allowing your officer's participation and tell you he represented your agency well.

Please do not hesitate to contact me or any member of my staff in the future, for any assistance you may need. We will be more than happy to reciprocate.

Sincerely,

Ted Bos

Subject: Recycling Event

Morning Chief,

I just wanted you know that as always, Citizens Patrol did an outstanding job with traffic control for the Recycling Event on Saturday. We had 487 vehicles (new record) pass through Public Works to drop off electronics/ textiles and at least 300 vehicles go through Avenues for Independence across the street for document destruction.

They kept traffic moving smoothly and safely. We could not do an event like this without them and they are a huge asset to the community and city. We are so fortunate to have such dedicated and giving volunteers!!

Thank you,
Mike

Dear Chief Kaminski,

We are writing to thank you for your efforts in "Stuff a Squad" campaign this past week. The Maine Township Food Pantry was the recipient of over 100 bags of food generously donated by shoppers at the Park Ridge Mariano's.

As we enter the Thanksgiving and Christmas season these donations will help fill our holiday baskets. We usually serve over 300 families each month.

Many thanks to you and your staff for all your assistance in this worthwhile event.

Sincerely,

Carol

On behalf of the Chicago Crime Commission, I would like to thank you for your department's contribution to our current initiative –*The Gang Book.* Any such publication is only as good as the information it contains, and your contribution of material on gang is essential for us to produce a book that is both informative and relevant.

Thanks to your assistance, we will produce a publication that will provide law enforcement with effective strategies for targeting the hardcore criminal, while at the same time providing the community, parents, teachers, and youth with prevention and intervention assistance.

The Chicago Crime Commission is committed to working hard in the fight against crime by developing publications through our coalition with the Law Enforcement community and the public. Again, thank you for supporting our efforts and we look forward to working with you on future endeavors.

On August 6, 2016, Park Ridge Police responded to a report of an armed robbery with a knife at a business in the 800 block of West Devon. The suspect was located and confronted by officers in the 600 block of West Devon, where an aggravated assault occurred against one of the officers, but the suspect fled before he could be contained.

Utilizing good communication and coordination, you, Sergeant Hilderbrant, Officer Cacioppo and Officer Doucet were able to locate and surround the suspect in the 1300 block of South Crescent. The suspect disregarded repeated commands to drop the knife he was holding, disobeyed all of the lawful orders given to him and began advancing on an officer with the knife raised. Officer Cacioppo deployed his Taser while the other officers maintained positions with lethal cover. The Taser struck and immobilized the suspect on the ground, where Sergeant Hilderbrant were able to cuff him, and the incident was safely resolved. Following his arrest, the suspect was charged with numerous felonies for his actions, and his parole status was revoked, placing him back in the Illinois Department of Corrections.

Your collaboration and swift actions led to the apprehension of a dangerous individual who posed a significant risk to the public. You represented this Department with honor and integrity, and your actions are in keeping with the highest traditions of the Park Ridge Police Department.

Congratulations on a job well done. Your professionalism, bravery and dedication are an asset to this Department. I am proud to have you as one of our officers.

Keep up the good work!

On August 2, 2016, at approximately 1220 hours you responded to a call of an unresponsive female, possibly suffering from an overdose in the 800 North Block of Park Plaine. You arrived on the scene and immediately began preparation to begin CPR, as another Officer administered NARCAN. The defibrillator detected a faint heartbeat as subsequent dose of NARCAN being was administered. The Park Ridge Fire Department arrived and took over the scene. Prior to transport the victim was responsive and breathing. In absence of your immediate actions and attention to detail the victim may not have survived.

Your actions are to be commended! If it weren't for your quick response, quick decision making and swift actions, the subject may not have survived. In addition, your work certainly reinforces our Mission/Value Statement and are in keeping with the highest tradition of the Department. I appreciate all of your efforts.

Thank you once again for your hard work and dedication!
