Municipal Code
12-6 ALCOHOLIC LIQUORS

Permits; 12-6-7; IV. Temporary Liquor Licenses

A. Regulations Applicable to All Temporary Permits:

1. The Commissioner may attach such conditions as are appropriate for that specific temporary permit.
2. For temporary permits, the Commissioner, in his or her sole discretion, may accept host or general liability coverage as a substitute for dramshop insurance.
3. The term of the permit shall be within the sole discretion of the Commissioner, but in no event may permits be issued for more than five (5) days.
4. No more than twelve (12) such permit days shall be available to any one organization during a license term.
5. The applicant is responsible for securing any applicable state permit. If the State Liquor Commission requires a permit and it is not obtained, then the City temporary permit shall be deemed void ab initio. It is the responsibility of the applicant to determine whether or not a state permit is needed and issuance of a City permit has no bearing on the issue of whether a state permit is required.
6. All other regulations of this chapter shall apply to the permit.

B. Specific Temporary Permits: Temporary permits are divided into the classifications set forth below:

- 1. Class T-1 Permit.** A Class T-1 permit shall authorize the sale of alcoholic liquor by a bona fide Park Ridge entity or business not generally engaged in the business of selling alcoholic beverages, at a designated location where such sale is not otherwise prohibited, in conjunction with social, recreational, fund-raising or special commercial event.

a. A Class T-1 permit shall be valid only during the hours set forth on the permit. A Class T-1 license may not be renewed or extended.

b. A Class T-1 license shall authorize the sale of alcoholic beverages by the glass; it is not necessary that the sale be in connection with or complementary to the sale of food.

c. A Class T-1 license shall authorize the sale of alcoholic beverages only in an enclosed building or structure, including a tent, and not at open-air counters or stands. Consumption of alcoholic beverages may take place only within such enclosed building or structure. No person under the age of twenty-one (21) years may prepare, sell or deliver alcoholic beverages pursuant to a Class T-1 license.

d. Applications for a Class T-1 license shall be made to the Commissioner on a form provided by the Commissioner, not less than thirty (30) working days prior to the date for which the license is to be issued. The Commissioner may waive any other provisions of this chapter 6, which are determined to be inapplicable to a Class T-1 license. In addition to all information required by the Commissioner, applicants for Class T-1 license shall provide, at the time of application, a certificate of insurance, which names the City of Park Ridge as an additional insured, verifying that the applicant has obtained dram shop/liquor liability insurance in the minimum amount of one million dollars (\$1,000,000.00). The certificate of insurance shall be subject to the approval of the Commissioner. The applicant shall also provide evidence of having obtained any other permits and licenses required for the event at the designated location. No bond shall be required for a Class T license.

e. After review of the license application, the Commissioner may issue a Class T-1 license and shall advise the Police Department, the Liquor License Review Board and the City Council of such issuance.

f. Each person who prepares, sells, delivers or serves any alcoholic beverages pursuant to a Class T-1 license is required to sign a letter of understanding, on a form approved by the Commissioner, that states that the person has been advised of the rules and regulations regarding the preparation, sale, delivery and service of alcoholic beverages by the Class T-1 liquor license holder.

g. Persons who prepare, sell, deliver or serve any alcoholic liquor pursuant to a Class T-1 license are not required to complete a certified alcohol servers' training.

h. The fee for each Class T-1 license shall be twenty-five dollars (\$25.00).

2. Class T-2 Permit

A Class T-2 permit shall authorize the sale of alcoholic liquor by a business or other entity that has a valid liquor license in the jurisdiction where the business or other entity is located, in conjunction with social, recreational or fund-raising events.

a. Unless otherwise specified, all the requirements, restrictions and obligations for a T-1 permit shall be applicable to a T-2 permit.

b. Persons who prepare, sell, deliver or serve any alcoholic beverages pursuant to a Class T-2 permit are required to complete a certified alcohol servers' training.

3. Civic Organization Events

The following shall apply to civic organizations and the regulations of this chapter:

a. A civic organization may hold a fundraising event at a Licensed Premises without obtaining a permit under the following conditions:

i. The Commission is notified, in writing, at least seven (7) days in advance of the event.

ii. All food and alcoholic beverage service is conducted by the Licensee with the Licensee's employees and at Licensee's prices, as in the normal course of business for that license.

b. If the Licensee intends to provide food or alcoholic beverage service other than from its regular menu and at menu prices or if the cost of the service of alcoholic beverages is part of a donation or ticket price, then the civic organization must obtain a T-1 permit.

c. As to either subsection (a) or (b) of this section, the civic organization, but not the liquor Licensee, may advertise for the event in any manner permitted by law

SPECIAL EVENT POLICY

The City recognizes that, from time to time, businesses and organizations host events that are different from daily business and civic activities. It is incumbent on the city to regulate these events to ensure that they are not incompatible with the needs of surrounding neighbors. The event shall not, in any respect, be detrimental to the health, safety, and welfare of the public or injurious to other property or improvements in the surrounding area. Factors to be considered in issuing a special event permit include, but are not limited to, increased traffic, parking, noise, and pedestrian safety, burden on city services and adverse effects on neighboring areas.

DEFINITION

A *Special Event* is defined as a temporary activity that may include any one or more of the following:

- (A) A crowd that is significantly larger than what is expected for the typical day to day use of the property;
- (B) The appearance of a celebrity personality;
- (C) Use of an outdoor parking lot for an activity other than parking;
- (D) Use of a structure such as a tent or stage;
- (E) Use of off-site parking;
- (F) Use of Public Right-of-way. All processions, parades, footraces, marathons, walkathons, bike-a-thons, bike races, open air public meetings, or any other group sponsored activity occupying or using any street or public place in the city (not including funerals and block parties).
- (G) Use of city services;
- (H) Use of city property;
- (I) Live Entertainment
- (J) Filming/Media Production

PERMIT REQUIRED

(A) Permit Required: A Special Event Permit is required for all Special Events. The application for a Special Event Permit must be received at least 30 days prior to the event, or 60 days if use of public right of way is requested. Upon receipt, the application will be reviewed by City staff. Applicable costs will be determined and must be paid before any permit(s) is/are issued.

(B) Posting: Once issued, a Special Event Permit shall be kept on the premises during the event and made available upon request by any authorized city personnel.

(C) Additional Permits for the Same Event: Only those activities or structures set forth on the application shall be allowed. If additional activities or structures are contemplated, but were not submitted or approved with the issuance of the original permit, the applicant shall file an amended application to seek approval of the changes to the current permit. This shall be done not less than seven (7) days prior to the opening of the Special Event.

(D) Fee Waiver: It is the policy of the City to support small scale Special Events on a modest level when such events are deemed to play an important civic and/or economic role in the advancement of the welfare of the city and its residents. Therefore, for small scale events a certain minimal contribution of City services is sometimes deemed appropriate. If such a Special Event is an activity which is open to all Park Ridge residents and is not held for the purpose of advancing a sectarian or political position, but rather for advancing and upholding the civic, social or economic fabric of the City; the Special Event producer may request a fee waiver which will be considered by the City Manager in light of the estimated limited actual cost to the City. Categories of events typical for a fee waiver request are: parades, community celebrations (small scale), community events (small scale) and races (run, walk or bike).

Each application for a Special Event, small scale or large scale, will include an estimate of costs to the City. The City Manager will provide a quarterly report to the City Council that will reflect the estimated costs to the City of any event, those costs paid by event producers and the actual costs absorbed by the City.

In no event shall a waiver of fees be granted to any Special Event when the costs of city services are estimated to exceed \$1,000.00. In the event an event producer desires to apply for a fee waiver in a case where the estimated costs to the City exceed \$1,000.00, the City Manager shall present the request to the City Council for approval or denial at a regular City Council meeting.

The City Council shall review this policy and the costs to the City on an annual basis and reserves the right to alter the amount of maximum fee waivers allowed or eliminate them altogether.

REQUIREMENTS FOR SPECIAL EVENTS

Special Events shall comply with the following conditions;

(A) Compliance with Laws: Every structure and every activity shall comply with all applicable laws and regulations.

(B) Alcohol Beverage Service: If consumption of alcohol is proposed, the applicant must apply for a temporary liquor license with the city.

(C) Animal Shows: Demonstrations; Exhibits; Exhibitions: Such exhibitions are discouraged. No person shall give away or use any live animal as a prize or as an inducement to enter any contest or game.

(D) Compatibility with existing surroundings. The nature and intensity of the event must be so planned that the event will be compatible with the existing area.

(E) Fundraising, Raffles, Give-Away and other Promotion Activities: Applicable Permits for fundraising, raffles, give-away and other promotion activities shall be obtained and displayed at all times.

- (F) Inspections: All Special Events shall be subject to periodic inspections by authorized personnel to ensure continued compliance with the City's regulations.
- (G) Stage Systems: Lighting, sound, and/or stage systems are subject to inspections by the city at any and all times.
- (H) Nuisance | Noise Control: Efficient means shall be employed to prevent ordinary sounds of the event within the premises from being heard on adjoining premises or on the public street. No unusually loud entertainment noise or any boisterousness or noisy conduct on the part of the patrons shall be permitted. All premises shall be reasonably lighted at all times when the event is open to the public. If applicable, premises access doors shall remain closed during the course of any event (Noise, 14-9-1 - 14-9-9 / Nuisances, 14-1-1-14-1-6).

The applicant is responsible for arranging the final disposal of all trash with a refuse company.
- (M) Restrooms: The event premises shall be equipped with toilets/lavatory, hand-washing facilities, which shall be installed and maintained in a sanitary condition.

- (O) Temporary Structures (Tents/Canopies): Any tent, canopy, and/or temporary structure greater than 400 square feet shall require a separate permit and shall be removed within 24 hours of the completion of the event, unless the City Manager approves otherwise.

- (Q) City Services: The permit holder shall be required to pay for any Police, Fire, or Public Works services required for any event. An estimation of the total fees will be provided to the application. 50% of the fee estimate will be due 14 days prior to the event. The balance is due within 30 days after the event. Final payment will be based on actual city costs.

USE OF PUBLIC RIGHT-OF-WAY AND CITY PROPERTY

(1) Class A permit: Not to exceed one hundred fifty (150) anticipated participants, no closure of streets, requires no city employees or city equipment.

(2) Class B permit: Exceeds one hundred fifty one (151) anticipated participants, closure or blocking of city streets, or requires use of city employees or city equipment

Time Restrictions:

The City Manager may place reasonable time restrictions on the issuance of Special Event Permits. These may include, without limitation, a prior notice requirement, first-come/first served scheduling, limitations on frequency of use and operating hours.

Note: Footraces, marathons, walk-a-thons, bike-a-thons, and bike races must start at or before 8:00 a.m. The final course/route determination will be made by the City Manager or designee.

Location Restrictions:

The City Manager may impose reasonable location restrictions on the issuance of Special Event Permits. Considerations for such restrictions may include, but are not limited to, the historic use of the property, recreational use policies, the size of the property and the degree to which the Special Event would interfere with the historic use and adopted recreational use policies for the property.

Permit Considerations:

The City Manager may deny or revoke a Special Event Permit whenever:

- (a) The application person or entity has previously violated the provisions of a Special Event Permit or has submitted materially false or incomplete information on any special event permit application; or
- (b) The Special Event would unreasonably interfere with the movement or service capability of police vehicles, fire fighting equipment or ambulance service; or
- (c) The Special Event would unreasonably interfere with the historic recreational use and the adopted recreational use policies for a neighborhood park; or
- (d) The Special Event would unreasonably interfere with another special event for which a permit has been issued; or
- (e) The Special Event would create an undue burden on the personnel resources of the City; or
- (f) The Special Event would have an unduly adverse impact on the environment or public health and safety of the community.

 1. To affix, secure or attach any goods, merchandise, display, advertising or equipment to any street, sidewalk, or parkway or to any pole, traffic control device or other permanent structure or equipment in the public way;
 2. To create any hazardous condition.
- D. An applicant for a permit shall, on behalf of itself and, in the case of a group application as provided in Section 9-6-3, on behalf of each participating commercial establishment, provide a certificate of insurance verifying that the applicant has in effect at the time of the application, insurance or other indemnity contract in excess of one million dollars (\$1,000,000.00) effective to indemnify and hold the City of Park

Ridge harmless against any and all liability and expenses whatsoever, for bodily injury or death, including without limitation injury or death to agents, employees, servants or volunteers of the applicant(s) that may be causally related to any act of ordinary negligence, intentional, willful or wanton misconduct claim, loss or injury arising out of the commercial use of the public way. The certificate of insurance is subject to the approval of the City Manager.

(Ord. 2005-55, 9/6/05, 524)

- E. No Special Event Permit shall be issued for the permanent or continuous use or occupancy of a public way for any commercial activity.
- F. No Special Event Permit shall be issued for any commercial activity on a public way in any residential zoning district.

9-6-3 APPLICATION FOR PERMIT; ISSUANCE OF PERMIT

An application for a Special Event Permit shall be made to the City Manager on forms provided by the City. A fee of fifty dollars (\$50.00) shall be paid for each application. A single application may be submitted by a group of commercial establishments or by an organization representing several commercial establishments provided that such application shall identify individually each commercial establishment participating in the special event. The applicant shall provide such additional information as the City Manager may require. If the applicant meets the conditions set forth in this Chapter, the City Manager shall issue the permit.

9-6-4 PARK DISTRICT EXEMPTION

This Chapter shall not apply to any temporary commercial activity on a sidewalk or parkway immediately contiguous to a public park, when conducted pursuant to a permit Issued by the Park Ridge Recreation and Park District authorizing such activity within the contiguous park; provided, however, that no such park permit shall be effective to authorize permanent or continuous use or occupancy of such sidewalk or parkway for any commercial activity.

9-6-5 REMOVAL

Any device, equipment, merchandise or display (a) attached to any street, sidewalk, parkway, pole, traffic control device or other permanent structure or equipment in a public way, or (b) obstructing any public way, or (c) creating any hazardous condition, shall be immediately removed and taken into custody by the City and notice shall be provided to the owner thereof where such item may be reclaimed. If the owner thereof fails to reclaim such item within thirty (30) days after notice, such item may be disposed of by the City.

9-6-6 PENALTY

Any person, firm corporation or other entity convicted of violating any provision of this Chapter shall be subject to a fine of not less than one hundred dollars (\$100.00) nor more than five hundred dollars (\$500.00). Each day a violation occurs shall constitute a separate offense.
