**Re: 2012 & 2013 Mosquito Abatement Seasons**

**Dear Mayor Schmidt,**

Leyden Township is in the process of securing a 2 year agreement with Clarke Environmental Mosquito Management, Inc., for mosquito abatement services for the 2012 and 2013 mosquito seasons. These services include, but are not limited to, four (4) annual area truck sprays, inspection/treatment of standing water, catch basin treatments, special event spraying and surveillance trapping.

Leyden Township will pay \$4,914.69 for Park Ridge's portion of the mosquito abatement program for the 2012 season and up to \$5,062.13 for the 2013 season. Please note that Leyden Township will only pay for four (4) annual truck sprays. If Park Ridge requires additional sprays you will need to contact Clarke directly. Park Ridge's cost for each additional area spray in 2012 is \$636.42. Cost increase, if any, for additional sprays in 2013, will be capped at 3% or a maximum of \$655.51 for each additional spray. You will be billed directly from Clarke for additional sprays. A copy of the Leyden Township Mosquito Abatement Program Cost Breakdown sheet is enclosed for your reference.

Please provide Leyden Township with written direction allowing Clarke to provide these services within the Leyden Township portion of Park Ridge's corporate limits if Park Ridge would like to be part of the 2012 and 2013 mosquito abatement program as outlined above and on the Cost Breakdown sheet.

If you need technical assistance from Clarke please contact Tom Kessler at 630-671-3168.

Please feel free to contact me at 847-455-5107 if you have any non-technical mosquito abatement questions.

Sincerely,

**Gregory T. Ignoffo**  
**Township Administrator**
