Background:

In accordance with Article 2, Chapter 9 of the City Code, staff is requesting council approval for a \$22,475 Purchase Order increase for GovTempsUSA LLC.

With the departure of the Community Preservation and Development Director, the City contracted to provide services for an interim Community Preservation and Development Director. A budget transfer and purchase order were approved for \$33,600 in October 2016 which covered the initial three months of the agreement. Our contract with GovTempsUSA was extended which necessitates this PO increase.

There are sufficient funds in the budget to cover this expense. The budget transfer was final action at the Finance C.O.W. and will be completed if and when the purchase order is approved by Council.

This was discussed at the January 23, 2017 Committee of the Whole meeting and passed unanimously, 5-0.
