Dear City of Park Ridge:

As a 51 year resident of Park Ridge, I have seen many cab services come and go. Thirty years of my life I spent owning and operating Park Ridge Taxi with my husband. In 2005 we sold our company, and enjoyed semi retirement. The complete breakdown of what I consider "quality cab service" has drawn me back into this business.

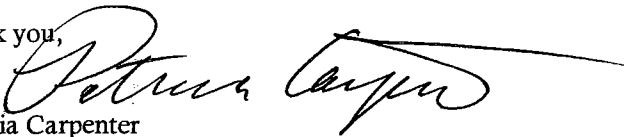

Park Ridge residents have always demanded the highest standards of service, and deserve it. The existing cab service falls well below the high expectations of this community.

Pink Taxi is not a traditional cab company, nor are its' cabs or its' drivers. Most chauffeurs are survivors of cancer themselves.

We are currently awaiting our "Non Profit Status" from the IRS, and intend to contribute to cancer research.

Our customer base consists of medical patients, senior citizens, hospitals, hospice, chemo treatment centers, doctors offices, and laboratories as well as traditional cab customers; anyone who wants to contribute to the cause.

Thank you,

Patricia Carpenter  
President

#### 10-2-1      CERTIFICATE OF OPERATION

It shall be unlawful to engage in the business of operating a livery vehicle in the City without first having obtained a Certificate of Operation therefor. No Certificate of Operation shall be issued unless and until the Procedures and Regulations Committee shall find and declare to the City Council that the public convenience and necessity for livery service requires the service to be rendered. A Certificate of Operation shall be issued by the City Clerk pursuant to the direction of the City Council.

*(Ord. 2002-31, 9/3/2002, Supp22)*

**10-2-2 QUALIFICATIONS OF APPLICANT FOR CERTIFICATE OF OPERATION**

No Certificate of Operation shall be issued to or held by any person who is not of legal age or who is not a person of good character or who has been convicted of a felony, nor shall such Certificate of Operation be issued to or held by any corporation if any officer or stockholder or director thereof would be ineligible for a certificate under the foregoing conditions.

**10-2-3 APPLICATION FOR CERTIFICATE OF OPERATION**

Application for Certificate of Operation shall be made in writing to the City Clerk and shall state thereon the name of the applicant, the intended place of business, the number of vehicles to be operated, and such other information as may be required. Applications will not be accepted from an operator who has been denied a Certificate of Operation within the last 12 (twelve) months.

*(Ord. 2011-59, 11/07/2011)*

Upon the filing with the City Clerk of an application for a Certificate of Operation, the Procedures and Regulations Committee shall cause notice of the filing of such application to be published in a newspaper of general distribution within the City. Said notice shall designate a public place for hearing to be held not less than five (5) nor more than fifteen (15) days from the date of the publication. At said public hearing, the public as well as the holders of currently valid Certificates of Operation shall be entitled to appear and be heard on issuance of such certificate. At all such public hearings, the burden of proof shall be upon the applicant to establish by clear and convincing evidence that public need requires the issuance of the Certificate of Operation. In determining whether this burden has been met, the Committee may consider, among other things, (1) the fairness of the existing service's rate structure as compared to other communities or other livery services; (2) whether or not Park Ridge residents have expressed a desire for additional and/or competitive service; (3) the number and seriousness of complaints with regard to existing service; (4) comments received at the public hearing; (5) the current service's adherence to the applicable Park Ridge regulations.

*(Ord. 2002-31, 9/3/2002, Supp22) (Ord. 2011-59, 11/07/2011)*

**10-2-4 APPLICATION AND ANNUAL FEE**

*(Ord. 2011-59, 11/07/2011)*

Each application for Certificate of Operation shall be accompanied by a non-refundable fee of two hundred dollars (\$200.00) to cover administrative costs and cost of legal notices.

Each recipient of a Certificate of Operation must pay an annual fee of five hundred dollars (\$500) to cover administrative and related costs. Such annual fee will be due on the first day of January of each year. If the initial Certificate of Operation is issued after January 31, the initial annual fee shall be prorated on a monthly basis.

**10-2-5            CONSIDERATIONS FOR ISSUANCE OF CERTIFICATE OF OPERATION**

- H. Current demand and anticipated future demand for service;
- I. Number of vehicles in operation;
- J. Other facts considered relevant by the Procedures and Regulations Committee.

*(Ord. 2002-31, 9/3/2002, Supp22)*

**10-2-6            COMMITTEE TO REPORT FINDINGS**

Upon the conclusion of the public hearing, the Procedures and Regulations Committee shall promptly report in writing to the City Council setting forth its findings in said report, and recommending to the City Council that such Certificate of Operation be either refused or granted. In the event that the Committee recommends that the certificate be granted, it shall further recommend the maximum and the minimum number of vehicles to be operated and licensed by the operator, and may further recommend the inclusion in said Certificate of Operation of any agreement proposed by the applicant or the Committee. In the event that the City Council determines that the proposed Certificate of Operation be issued, it shall specify the minimum and/or maximum number of vehicles to be operated on a regular basis by the applicant under the Certificate of Operation. Any special agreements or stipulations shall likewise be included in the Certificate of Operation. Said operator shall, by acceptance of such certificate, agree to any special agreements or stipulations made, and operate the minimum number of vehicles stipulated and may operate additional vehicles, not to exceed the maximum authorized. The Procedures and Regulations Committee may give such other notice to parties who may be interested as in its discretion is advisable. In the event that said Procedures and Regulations Committee finds that a good cause exists for the revocation of said Certificate of Operation, it shall so report its findings and recommendations to the City Council, and thereupon said Certificate of Operation may be revoked by action of the City Council. Cause for revocation of a Certificate of Operation shall be the violation by the operator of the Statutes of the State of Illinois, the United States or the ordinances of the City, the violations of which reflect unfavorably on the fitness of the operator to offer public transportation, the violation of the operator of any provisions of this Chapter, proof of fraud or misrepresentation in obtaining the Certificate of Operation, or failure to comply with the terms of the Certificate of Operation or any agreement therein contained.

*(Ord. 2002-31, 9/3/2002, Supp22)*

For the purpose of enabling the Procedures and Regulations Committee or the City Council to inform itself as to the character and quality of service rendered the public and the just, reasonable and uniform rates of fare to be fixed from time to time by the City Council, and for determination of whether the operator is maintaining adequate reserves and insurance to meet personal injury, death and property damage claims, the Procedures and Regulations Committee shall have access to the plant, equipment, apparatus and other property, and the inventories, books, papers, accounts and records of all property and operations of the operator at all reasonable times. Every operator at all times shall keep in the City complete and accurate books and records of all property, operations, receipts and disbursements, in such form and detail as may be prescribed from time to time by the City Council.
