Park Ridge Firemen and Paramedics:

Teamsters Local 700 would like to extend our appreciation to the Firemen and Paramedics of the Park Ridge Fire Department for their prompt and courteous response to our call when one of our members fell critically ill.

On the evening of Tuesday, January 14, we called the Park Ridge Fire Department for a member whose blood sugar had dropped dangerously low. The Park Ridge Fire Department arrived immediately and did not hesitate to promptly administer help to our member. We are pleased to report that our member is doing well today.

Again, we thank you for your help last night, and we appreciate all that you do.

Sincerely,

Becky Strzechowski  
President
