Email Address: smitchel@parkridge.us

Background:

The City has joined a municipal partnering cooperative with two surrounding communities for sewer lining. In the past, this cooperative has received lower unit prices by bidding a much larger project than an individual community would bid. This year's project was bid on May 29, 2013 and the low bidder was Insituform Technologies USA of Chesterfield, Missouri.

Based on the city's submitted estimated quantities, the City of Park Ridge portion of the contract is \$232,198.85 for approximately 5,700 linear feet of sewer lining of various pipe sizes in several locations. The budget for this program is \$310,000.00 and staff is investigating lining more at this contracted price, up to the budgeted amount.

Recommendation:

Approve a contract with Insituform Technologies USA, LLC, 17988 Edison Avenue, Chesterfield, Missouri 63005, and a purchase order in the amount of \$310,000.00 for the 2013/14 Sewer Lining Program.

Budget Implications:

Does Action Require an Expenditure of Funds:  Yes  No

If Yes, Total Cost: \$310,000.00

If Yes, is this a Budgeted Item:

Yes  No  Requires Budget Transfer

If Budgeted, Budget Code (Fund, Dept, Object) 503 3031 994000
