Background:

Since 2010, the City has participated in the Suburban Purchasing Cooperative (SPC) thermoplastic pavement marking program. SPC members benefit from this program by receiving lower unit prices from bidding and awarding a larger project. This project was bid in April 2012 and the low bidder was Superior Road Striping, Inc. of Melrose Park, Illinois.

Based on the City's submitted estimated quantities, the City of Park Ridge portion of the contract is \$30,974. The budget for this program is \$35,000 and is for approximately 33,200 feet of new pavement marking lines, letters and symbols.

Recommendation:

Approve a purchase order with Superior Road Striping, Inc. of 1967 Cornell Court, Melrose Park, Illinois 60160-1001, in an amount not to exceed \$35,000 for the 2012/13 Thermoplastic Pavement Marking Program.
