	<i>Description: Properly block off sidewalk and street for safety using cones and caution supplies. Saw cut the asphalt, excavate down nearly 11ft to expose broken sewer pipe. Remove all saturated soils. Cut out and remove the damaged section of the pipe. Make repair in PVC. Backfill the hole properly. Will pour up to 6" of concrete about 2" short of the asphalt to leave room for a patch and repair by the city. If the parkway is damaged, will have to restore the parkway. Job may take up to two days. Due to any unforeseen issues, may incur additional charges.</i>
