Background:

The Police Department is replacing vehicle I-2, a 2006 Ford Explorer with 113,206 miles. The old vehicle will be sold through a forward auction. After the vehicle is delivered from Morrows Brother Ford, the vehicle requires additional equipment that is not available through the factory. This vehicle 'upfitting' for emergency lighting, siren, radio, etc. will be at an expected cost of \$3,500.00.

The State of Illinois Joint Purchasing Program (CMS Contract #4018344), through its competitive bid process, selected Morrows Brothers of Greenfield, IL as being the lowest responsive and responsible bidder for 2017 Ford Taurus Interceptor for the price of \$25,880.00. The vehicle is also offered through Suburban Purchasing Cooperative (SPC) contract extension #154, through Currie Motors Fleet in Frankfort, Il for the higher price of \$25,960.00.

The forecasted ending FY18 fund balance in the MERF internal service fund is \$1,882,654.00.
