During the term of this Agreement, employees may elect appropriate coverage in one of the health plans offered by the City during the enrollment period established by the City.
2. Administration. It is understood that the master documents between the carrier (or any replacement carrier selected by the City) and the City are the controlling documents as to coverage, benefits, eligibility, and all other aspects of the plans and that any disputes concerning such matters shall not be subject to the contractual grievance procedure.

Premium Costs. Premium costs under the medical plans are controlled by the concept that both the City and the employee shall share in payment of the premium cost for both employee and dependent coverage. Retroactive to May 1, 2013, the employee shall pay thirteen percent (13.0%) of the premium for the type of coverage selected (employee; employee plus spouse; employee plus children;

employee plus family coverage) under the applicable PPO or HMO plan, and the City shall pay the remainder of the premium.

3. The City shall maintain a plan under Internal Revenue Code Section 125 applicable to employee contributions to the group medical insurance plans set forth in this Paragraph D, so long as permitted by law. If the retiree or his dependent(s) is receiving a pension, the amount shall be deducted from the pension check. If not, the retiree or his dependent(s) may pay in advance, quarterly, or forfeit coverage. Once the retiree or his dependent(s) receives a pension, the amount then shall be deducted from the pension check. An employee who is sick is expected to be confined to his place of residence or hospitalized unless he is en route to or located at the office of a physician, except that an employee may leave his place of residence if said action is consistent with the nature of the employee's illness. This Paragraph shall not be applicable to an employee who is injured, so long as there is medical confirmation of the injury.

The use of sick leave with pay shall be authorized on approval of the Department Head or his designated representative. To qualify for compensation while absent on sick leave, a Sergeant shall notify his immediate supervisor at least sixty (60) minutes prior to the time set for the beginning of daily duties.

- 3. Sick Leave Payout at Retirement. An employee who retires or resigns in good standing on or after the effective date of this Agreement with more than 960 hours of accrued but unused sick leave shall receive payment as follows:

In order to be eligible for a bilingual stipend, the City may require the employee to take and pass a foreign language proficiency test, administered by an outside vendor selected by the City, or other foreign language certification acceptable to the City. No employee will be entitled to compensation for time spent preparing for the test, or for taking the test (unless it is taken during the employee's regular working hours).

It is expressly understood and agreed that in no event shall more than a total of 8 hours of compensatory time (as a holiday benefit) be due to any sergeant for any holiday period.

An employee with accrued compensatory time may make advance request for time off and time off will be approved by the Chief or his designee based upon Departmental needs.
7. No Pyramiding. There shall be no pyramiding or duplication of overtime payment under this Agreement. If hours are compensated at overtime rates under one provision of this Agreement, those hours shall not be counted in determining overtime pay under another provision.

ARTICLE VIII

Grievance and Arbitration Procedure

A. *Grievance Procedure*

1. It is mutually desirable and hereby agreed that all grievances shall be handled in accordance with the following steps. For the purpose of this Agreement, a grievance is any dispute or difference of opinion raised by the Sergeant or the Union against the Employer involving the meaning, interpretation or application of the provisions of this Agreement. The grievance form is attached hereto as Appendix A to this Agreement.

Step 1: Immediate Supervisor. The Sergeant, with or without a Union representative, may file the grievance in writing with the Sergeant's immediate supervisor within fifteen (15) calendar days of its occurrence. The supervisor (or designee) shall then attempt to adjust the matter and shall respond in writing within ten (10) calendar days after such discussion.

Step 2: Department Head. If not adjusted in Step 1, the grievance shall be reduced in writing and presented by the Union to the department head within fifteen (15) calendar days following the supervisor's answer to Step 1. The department head (or designee) shall attempt to adjust the grievance as soon as possible, but shall give his answer in writing to the Union within fifteen (15) calendar days after receipt of the grievance.

Step 3: City Manager. If not adjusted in Step 2, the grievance shall be submitted to the City Manager within fifteen (15) calendar days of the answer in Step 2. A meeting shall be held at a mutually agreeable time and place with the City Manager or designee. If the grievance is settled as a result of such a meeting, the settlement shall be reduced to writing and signed by the parties. If no settlement is reached, the City Manager or designee designated representative shall give the Union the Employer's answer within fifteen (15) calendar days following their meeting.

Step 4: Arbitration. If the grievance is still unsettled, it may be referred for arbitration by written request made within fifteen (15) calendar days of the Employer's answer in Step 3. Arbitration shall proceed in the following manner:

A. Arbitration Procedure

1. The Employer and the Union shall attempt to agree on an arbitrator. If they are unable to agree upon the person to serve as the arbitrator, they shall request a panel from the Federal Mediation and Conciliation Service, from which panel the Union and City shall alternatively strike names until only one name shall remain.
2. The arbitrator shall hold a hearing at a date convenient to the parties. The scope of the hearing shall be at the sole discretion of the neutral arbitrator. The hearing shall only be open to all parties in interest.
3. The arbitrator shall issue his decision not later than thirty (30) calendar days from the date of closing of the hearing or within 30 days from the date set for filing post-hearing briefs with the arbitrator.
4. The decision of the arbitrator shall be in writing and shall set forth the findings of fact, reasoning and conclusions on the issues submitted.
5. The decision of the arbitrator shall be final and binding on the City, the Union, and the employee or employees involved.
6. Any general costs of the arbitration proceedings shall be shared equally between the Employer and the Union. All other expenses shall be borne by the individual parties.
7. The arbitrator may interpret the Agreement but shall have no right to ignore, add to, take from, or modify any of the provisions of this Agreement. The questions of arbitrability shall be determined by the arbitrator.

Time Limits. If a decision is not rendered by the City within the time limits provided for in this grievance procedure, the aggrieved employee may elect to treat the grievance as denied at that step and immediately appeal the grievance to the next step as provided above. If at any step the aggrieved employee does not submit the grievance or appeal the City's decision in the manner and time limits provided for in the grievance procedure, the grievance shall be considered settled on the basis of the last decision of the City without any further appeal or reconsideration. The time limits at any level of the grievance procedure may be extended by mutual written agreement between the aggrieved employee or the Union, and the City. In addition, the Union and the City may mutually agree to skip a step or steps of the grievance procedure, in writing, in a specific instance.

The form of checkoff authorization shall be as set forth in Appendix B attached hereto and made a part of this Agreement.

B. *Fair Share*

During the term of this Agreement, employee who do not choose to become dues paying members of the Union shall, commencing thirty (30) days after their promotion or thirty (30) days after the date this Agreement is executed, whichever is later, pay a fair share fee to the Union for collective bargaining and contract administration services rendered by the Union as the exclusive representative of the employees covered by said Agreement, provided fair share fee shall not exceed the dues attributable to being a member of the Union. Such fair share fees shall be deducted by the City from the earnings of non-members and remitted to the Union. The Union shall periodically submit to the City a list of members covered by this Agreement who are not members of the Union and an affidavit which specifies the amount of the fair share fee. The amount of the fair share fee shall not include any contributions related to the election or support of any candidate for political office or for any member-only benefit.

The Union agrees to assume full responsibility to insure full compliance with the requirements in *Chicago Teachers Union v. Hudson*, 475 U.S. 292 (1986), with respect to any constitutional right of fair share fee payors. Accordingly, the Union agrees to do the following:

1. Give timely notice to fair share fee payors of the amount of the fee and an explanation of the basis for the fee.
2. Advise fair share fee payors of an expeditious and impartial decision-making process whereby fair share fee payors can object to the amount of the fair share fee.
3. Place the amount reasonably in dispute into an escrow account pending resolution of any objections raised by fair share payors to the amount of the fair share fee.

It is specifically agreed that any dispute concerning the amount of fair share fee and/or the responsibilities of the Union with respect to fair share fee payors as set forth above shall not be subject to the grievance and arbitration procedure set forth in this Agreement.

Non-members who object to this fair share fee based upon bona fide religious tenets or teachings shall pay an amount equal to such fair share fee to a non-religious charitable organization mutually agreed upon by the employee and the Union. If the affected non-member and the Union are unable to reach agreement on the organization, the organization shall be selected by the affected non-member from an approved list of charitable organizations established by the Illinois Labor Relations Board and the payment shall be made to said organization.

Indemnification

The Union shall indemnify and hold harmless the City, its elected representatives, officers, administrators, agents and employees from and against any and all claims, demands, actions, complaints, suits or other forms of liability (monetary or otherwise) that arise out of or by reason of any action taken or not taken by the City for the purpose of complying with the provisions of this Section, or in reliance on any written checkoff authorization furnished under any provisions of this Agreement.

C. *Uniform Police Officers Disciplinary Act*

Nothing in this Agreement shall abridge any employee rights under the Uniform Police Officers Disciplinary Act, 50 ILCS 725/1.

D. *Employee Rights*

Officers shall have the right to have a Union representative present during any meeting with a supervisor provided that the Officer requests a Union representative, and further provided that the Officer reasonably believes that disciplinary action may result. Such meeting shall be reasonably delayed if a Union representative is not immediately available. The right to have a Union representative shall not apply to informal discussions intended solely to ascertain relevant facts when discipline is not being considered.

Nothing in this Agreement shall limit the City's right to temporarily remove an employee from work with pay immediately, pending full investigation, where the supervisor believes that said immediate removal is necessary under the circumstances.

E. *Personnel File*

Personnel File. The City agrees to abide by the lawful requirements of Illinois Access to Personnel Records Act, 820 ILCS 40/0.01 *et seq.* Pursuant to the law, employee's may access their personnel records at reasonable intervals.

F. Discipline

In the event a grievance involves an unpaid suspension or discharge of a non-probationary employee, such non-probationary employee shall have the option of proceeding under the appropriate procedures of the City Board of Fire and Police Commissioners or filing a grievance, but not both. Lesser forms of discipline such as warnings and reprimands shall not be subject to the grievance procedure, except an employee may grieve a written reprimand up to Step 3 (City Manger Level) only. In the event the employee elects to proceed under the grievance procedure, he shall indicate in writing his choice within ten (10) calendar days of receipt of the disciplinary notice and specifically waive any right he might otherwise have under the Fire and Police Commission Act. Such election shall be irrevocable. In the event the Chief of Police files a complaint before the Commission seeking a non-probationary employee's unpaid suspension or dismissal, and the employee makes a timely irrevocable election to proceed to arbitration, then the suspension or dismissal shall immediately become effective, subject only to review under the grievance procedure, *i.e.* it is understood and agreed that when an employee elects to proceed to arbitration, the Chief shall have the authority to immediately impose such discipline.

ARTICLE X

Drug and Alcohol Testing

The City may require an employee to submit to urine and/or blood tests if the City determines there is reasonable suspicion for such testing. The City may also require an employee to submit to urine and/or blood tests during an employee's probationary period and/or prior to promotion to a higher rank, if the officer is involved in an on-duty traffic accident resulting in death or serious bodily harm, or if the officer is involved in the use of deadly force, which resulted in death or great bodily harm to another person.

The City shall use only licensed clinical laboratories for such testing and shall be responsible for maintaining the proper chain of custody. The taking of urine samples shall not be witnessed unless there is reasonable suspicion to believe the employee is tampering with the testing procedure. If the first test results in a positive finding, a confirmatory test (GC/MS or a scientifically accurate equivalent) shall be conducted. An initial positive test result shall not be submitted to the City unless a confirmatory test result is also positive as to the same sample. The City shall provide an employee with a copy of any test results which the City receives with respect to such employee.

A portion of the tested sample shall be retained by the laboratory so that the employee may arrange for another confirmatory test (GC/MS or a scientifically accurate equivalent) to be conducted by a licensed clinical laboratory of the employee's choosing and at the employee's expense. Once the portion of the tested sample leaves the clinical laboratory selected by the City, the employee shall be responsible for maintaining the proper chain of custody for said portion of the tested sample.

The results of any positive tests for the first violation shall be made available to the City for appropriate action.

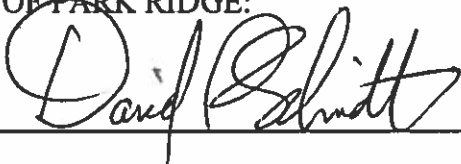

The illegal use, sale or possession of controlled substances while employed by the City, abuse of prescribed drugs, as well as being under the influence of alcohol or the consumption of alcohol while on duty, shall be cause for discipline, including termination. Random testing is permitted of an officer who is in a drug and/or alcohol related medical treatment center as a result of either voluntary request for assistance or disciplinary action.

Article XI Entire Agreement

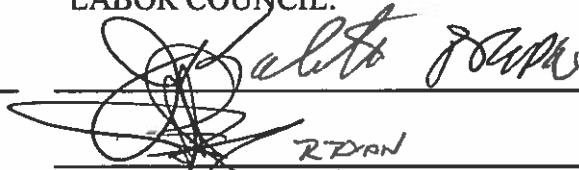

This Agreement constitutes the complete and entire Agreement between the parties and concludes the collective bargaining between the parties for its term. This Agreement supersedes and cancels all prior practices and agreements, whether written or oral, which conflict with the express terms of this Agreement. The parties acknowledge that during the negotiations that resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Accordingly, the City and the Union, for the duration of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement.
