

OAC Survey - 268 Respondents

	Yes	No
1. What is your address or approximate address? (e.g., 505 Butler Pl. or 500 Butler Pl.)		
2. Are you aware that, in the next phase of O'Hare expansion, another runway (9C/27C) will be opened over Park Ridge, positioning flights approximately above Granville (including over Mary, Seat of Wisdom School)?	60%	40%
3. Are you aware of the recent announcement that a cargo facility is to be constructed on the northeast portion of O'Hare, which will bring the loudest planes during nighttime hours directly over Park Ridge?	31%	69%
4. Are you aware that the O'Hare expansion plan calls for the closing of two existing angle runways as active take-off and landing runways to the northwest that are primarily over non-residential areas which would send more plane traffic to the angle runways that are over Park Ridge, from the Country Club area to Southwest Woods to the Manor?	31%	69%
5. Are you aware that the City of Park Ridge has directed letters to the FAA in October 2011 and October 2012 seeking mitigation measures relating to flight traffic over Park Ridge?	54%	46%
6. Are you aware that Rep. Jan Schakowsky introduced a Resolution in Congress urging the FAA to continue to reduce noise pollution related to airports and has written to the FAA in support of Park Ridge's request for mitigation measures?	25%	75%
7. Are you aware that you can report airport noise disturbances and concerns to a hotline number (1-800-435-9569) or log your complaint via the City of Chicago's website at http://www.flychicago.com/Environment/Noise/Ohare/Default.aspx ?	43%	57%
8. Opened in 2008, Runway 9L/27R (above Belle Plaine) is O'Hare's first new runway since 1971. Are you concerned about the planned airport expansion and the level of usage of Runway 9L/27R, which directs flights over a heavily residential area and includes a path over or near three Park Ridge schools (Roosevelt, Washington, Maine South)?	87%	13%
9. The original Environmental Impact Statement (EIS) assessing the environmental effects, including both noise and air quality, of O'Hare expansion was begun in 2002 and published in July 2005. No new or supplemental EIS is required until completion of the O'Hare Modernization Program. Would you like to see another EIS published prior to 2020?	92%	8%

10. Do you feel that our elected officials should be monitoring O'Hare expansion and the effects that expansion is having on our community in order to keep us informed?	96%	4%
11. Do you feel that Park Ridge should pursue responsible actions to mitigate negative environmental impacts on our community caused by O'Hare expansion?	93%	7%
12. Are you in favor of requesting that the FAA implement mitigation measures to reduce the noise and other environmental impacts that the new runways have and will have on Park Ridge?	96%	4%
13. Have you signed up for E-Alerts to "Stay Connected!" to receive notifications about the Park Ridge O'Hare Airport Commission meetings?	13%	86% (1 blank)
14. Thank you for completing the Park Ridge O'Hare Airport Commission survey. Will you share your contact information? [name/e-mail address]	63%
