Interest on Investments

The Library estimates an annual revenue amount for late fees, employee contributions and photocopy fees based on past experience.

We do not budget an amount for gifts to the library as we have no way of knowing what we will receive.

In 2012/13 and 2013/14 we received three gifts from three individuals that increased our revenue significantly for those two years. We also ran a fund raising campaign in 2013 as part of the Library's 100<sup>th</sup> Anniversary that brought in a few thousand dollars. These funds are in the Library's Restricted Gift Fund and will be used to supplement library funds as we make improvements to the library over the next 2-3 years.
