Background:

Staff is seeking approval to replace one (1) vehicle, Unit #7, a 1996 Ford F350 4X4 small dump truck with plow that has 92,586 miles. City crews use this truck daily. The 1996 truck will be declared surplus and disposed of through a forward auction.

Staff wishes to replace the 1996 vehicle with a 2017 Ford 450XL 4X4 Super Cab Chassis. The Northwest Municipal Conference Suburban Purchasing Cooperative (SPC), through its competitive bid process, selected Currie Motors Frankfort Inc. of Frankfort, Illinois as being the lowest responsive and responsible bidder for the 2017 Ford F450 4X4 truck at a price of \$35,512.00. SPC awarded contract extension #145 that is effective through September 2017. The State of Illinois joint bid contract prices the same 2017 Ford F450 4X4 vehicle at a higher price of \$35,656.00.

After the vehicle is delivered from Currie Motors, the chassis requires additional equipment that is not available through the factory. Using the sealed bid process, this 'upfitting' for dump body, central hydraulics, snowplow and warning lights will be procured at an expected cost of \$35,000. This truck was budgeted for \$70,000.00 total. The forecasted ending FY18 fund balance in the MERF account is \$1,882,654.

Staff recommends that the City award a purchase order for the purchase of one (1) 2017 Ford 450XL 4x4 Super Cab Chassis to Currie Motors Frankfort Inc., 9423 West. Lincoln Highway, Frankfort, Illinois 60423 in the amount of \$35,512.00.

This item was presented as an Action Item at the Committee of the Whole on July 10, 2017, at which time the Committee approved the motion on a voice vote of 7/0.
